WASHINGTON, DC –

Congressman Lee Terry (R-NE) today issued the following statement in support of the National March for Life being held in Washington D.C. to mark the anniversary of the controversial decision Roe v. Wade.

"I am committed to working with my colleagues to protect and defend the rights of the unborn. Every life is sacred, every life is precious. Today is a somber reminder we have a long road to travel before we fully and truly protect our nation's most vulnerable."
