

WASHINGTON- Congressman Lee Terry issued the following statement after President Barack Obama chose to ignore transparency and appoint a liberal doctor to oversee the Centers for Medicare and Medicaid Services.

**"I am very disappointed that President Obama chose to bypass the regular Senate confirmation process and appoint Dr. Berwick through the back door," said Congressman Terry. "Nebraskans want to know what Dr. Berwick thinks about \$500 billion being stripped from Medicare and how our seniors expect to function with such drastic cuts. I guess these and many other questions will go unanswered."**
