

WASHINGTON- Congressman Lee Terry issued the following statement after President Barack Obama announced he will send more troops to Afghanistan:

"President Obama has made the right decision to increase our ground troops in Afghanistan. □ We must have a comprehensive plan that includes local tribal leaders and Afghans with assistance from other nations. □ Our troops must have every resource available to effectively eliminate the Taliban and other terrorists now in control of many parts of the country. □ To succeed we must show strong military leadership, create jobs for Afghans and provide security to their communities."
