

WASHINGTON- Congressman Lee Terry (R-NE) issued the following statement after visiting areas hit by storms in the 2nd Congressional District:

"As I walked through neighborhoods today I witnessed first hand the extensive damage caused by the tornado. Each and every home has an amazing story of survival. My thoughts and prayers go out to families and businesses who were hit by the storm. The one thing I heard over and over was how extraordinary emergency crews were in their response to the disaster. I commend them, along with the other volunteer groups and individuals who answered the call to help those in need. I am thankful there were no serious injuries reported. We now begin the process of picking up the pieces and moving on. I will do everything in my power to ensure that process goes as smoothly as possible," said Congressman Lee Terry.
