

## **Terry Announces Medicare Part D**

### **District Enrollment Sessions**

□

**OMAHA, NE** - Representative Lee Terry (NE-02) today, in conjunction with Volunteers Intervening for Equity (VIE), announced enrollment sessions to assist seniors with the Medicare Part D Prescription Drug program's upcoming open enrollment period. Open enrollment for Part D starts November 15, 2006 and runs through December 31, 2006, taking effect on January 1, 2007.

Part D enrollment sessions are for seniors and family members or caregivers of seniors who would like assistance in evaluating current plans, changing plans, or signing up for a plan for the first time and will be held at Congressman Terry's District Office. Trained volunteers will be available to provide one-on-one assistance and offer impartial, reliable advice in order to ensure the needs of enrollees are best served. Attendees must schedule an appointment.

The following events are scheduled:
